New U.S. Patent Application
October 31, 2003

REMARKS

This Preliminary Amendment amends original Claims 8, 11, 13, 15, 23 and 24 to produce new amended claims that are not multiply dependent in order to reduce official fees. This amendment also cancels original Claims 16 and 18 because these claims are omnibus claims. Once examination on the merits has begun, the Applicants may elect to amend currently amended Claims 8, 11, 13, 15, 23 and 24 to make these claims multiply dependent or to add additional claims to this application to provide coverage similar to, broader than, or narrower than the present claims.

Amendment of the subject application is respectfully requested.

Respectfully submitted,

Richard P. Berg
